

# TSID Winterization Work Session

*“Don’t Let Cold Weather Stop Your Flow – Come Learn With Us!”*

**First Work Session EVER**

Date: October 21st, Noon

Location: TSID Office – 68000 Hwy 20, Bend OR 97703

TSID invites all patrons to join us for our first winterization work session. We’ll provide a hands-on demonstration on how to properly winterize your Cla-Val valves, share practical tips, and answer your questions. Taking a little time now can save you from costly repairs and keep your water flowing reliably all winter long.

**✓ Free • ✓ Practical • ✓ Community Support**
